FOR IMMEDIATE RELEASE:

SYCOR AMERICAS Inc. Locates to a New Pittsburgh Facility to Handle Long Term Expansion in Pennsylvania

PITTSBURGH, PA, June 6, 2007 – James Marczak, President & CEO of SYCOR AMERICAS Inc., a leading international consulting firm specializing in business process improvement and information technology, announced today that the company has relocated its Pittsburgh based headquarters.

The relocation will help support the rapid expansion of the organization. The new location of the Pittsburgh based organization is:

New Address: One Penn Center West

 Suite 209

 Pittsburgh, PA 15276

Earlier this year, SYCOR AMERICAS Inc. accepted a three-year incentive offer totaling \$440,000 from the Commonwealth of Pennsylvania and Allegheny County to focus its expansion in Pittsburgh, Marczak said. The funds will be used to enhance the company's training and recruiting programs, and will complement a \$3 million planned investment by SYCOR AMERICAS Inc. to expand its offices in Pittsburgh.

SYCOR AMERICAS Inc. is a single-source solution provider offering a wide variety of Business Process Improvement and Information Technology services focusing on our core markets. The focused services allow the **sykor** team of experts to concentrate on specific markets and become experts on the technology solutions and business processes that are important to those targeted markets.

SYCOR AMERICAS Inc. focuses on small to large companies in the Chemicals, Plastics, Glass, Medical Devices, Oil/Gas, and Cement industries. Because of the **sykor** global structure, **sykor** is very comfortable and adept at dealing with organizations that are also global in nature.

SYCOR AMERICAS Inc. places a strong emphasis on international experience in its workforce due to the global nature of major customers in its target markets. The company's current employee population in the Americas region includes natives of eight different countries, and more than 80 percent of its staff has work experience in two or more countries. SYCOR AMERICAS Inc.'s multi-lingual, culturally diverse workforce hails from Europe, Latin America, Middle East, Asia and North America.
